

**Thank you!**

Dear members,

As we approach the end of another great year for Girlguiding Hertfordshire, I would personally like to thank you all for everything you do for the girls, young women and adults within the County. Between us all we are able to offer fantastic opportunities for everyone, which is great and we should really let people know just how good we are!

We have created a poster to showcase what has happened in Hertfordshire during 2015: [Click here to view](#)

Here you can download a letter which you can email out to your parents and carers or print off copies for them, and this is my way of thanking you on their behalf. It lets them know what we do and how the County portion of the subscription is being spent. I've also reminded them that we are unpaid volunteers and have asked for help.

There is a colour and greyscale version to choose from.

Finally, I simply can't thank you enough for the time and care you spend ensuring Girlguiding Hertfordshire offers girls and volunteers an amazing experience.

Very best wishes

Sue

Thank you for all that you do in Girlguiding Hertfordshire
