

Travelling Abroad Tea Party

Sunday 14 May 2023

Travelling abroad, with Guiding provides incredible experiences and can create lifelong friendships with other Guides and Scouts, from around the world. We are working hard to get our international offering up and running once more, after the disruption caused by the pandemic, but to do that, we need leaders.

There are many myths around taking girls abroad and many people assume they could not do it: but maybe you are just the person we are looking for!

- What are we looking for?
- Might you be suitable?
- Do you have to have a Going Away With Qualification?
- Do you have to work with a particular section?
- What would it involve?
- Where could you go?

To learn the answers to these and any other questions you might have, why not come and join us for a chat over tea and cake?

When: Sunday, 14th May, 2023, 2.30–4.30pm

Where: The Ely Guide Hall, St Johns Road Ely, CB6 3BG
